श्री बिप्लब कुमार देव जी

You are aware that amongst the most disadvantaged communities in the country are the De-Notified, Nomadic, and Semi-Nomadic communities. The De-Notified Tribes (DTs) were earlier notified by the British Government as "Criminal Tribes" under one of the most draconian Criminal Tribes Act of 1871. However, it is now known fact that these communities took significant part in the freedom struggle of the country.

2. For the historical and Socio-cultural reasons, the DNTs are among the most neglected and impoverished communities in the country. Many DNTs have been categorized by Government into the SC, ST and OBC, yet others remain to be covered.

3. The Central Government is committed to reach these most deprived citizens of this country. For this purpose special attention to the present conditions of the De-notified, Nomadic and Semi-Nomadic communities is crucially needed.

4. You are aware that these communities, because of their life style and status in the society are hard to reach, less-visible and therefore are frequently left out of the development and welfare programs of the Government.

5. Therefore, in due considerations to the special conditions of De-Notified, Nomadic and Semi-Nomadic communities across the country and to bring them into mainstream of the objectives of Welfare and Development programmes, the Central Government has set up a "Development and Welfare Board for De-Notified, Nomadic and Semi-Nomadic Communities" (DWBDNC) under the aegis of Ministry of Social Justice and Empowerment (a copy of the Gazette of India notification no. S.O.939 (E) dated 21 February 2019 (enclosed).

6. I take this opportunity to kindly inform you that I have joined the post of the Chairman of the Board.

7. In order to meet the justice to these communities who contributed in many ways to the richness of our heritage and took part in the freedom struggle of our country, I humbly seek your valuable support and co-operation in near future.

8. We will be in touch to make significant progress for the objectives of the welfare and development of these communities in your State/Union Territory.

9. I would also like to inform that some states like Maharashtra and Gujarat have constituted specific DNT Corporation/ Board. In case, there is any such organization constituted in your State for the welfare of DNT Communities, kindly share the details with us and direct them to be in touch with us.

With best regards,
